GOVERNMENT OF INDIA • LAW ENFORCEMENT INVESTIGATION RECORD

CERTIFICATE UNDER SECTION 63 OF THE BHARATIYA SAKSHYA ADHINIYAM, 2023

CERTIFICATE RELATING TO PRODUCED ELECTRONIC RECORDS AND FORENSIC INTEGRITY

I, **Inspector Meera Sundaram**, holding the official rank and designation of **Inspector of Police (Lead Forensic Investigator)**, attached to **Special Cell, Lodhi Colony, New Delhi (Cyber Crime & Organised Syndicate Investigation Unit)**, hereby certify under the provisions of **Section 63 of the Bharatiya Sakshya Adhiniyam, 2023** (BSA 2023) as follows:

1. Lawful Management & Custody: I have been and continue to be in lawful official custody, control, and management of the digital forensic computer systems and analytical applications known as **Case Connect AI (v1.0)**, utilized for processing case records and digital intelligence.

2. Regular Course of Investigation: The electronic records, call detail records (CDRs), transaction paths, entity linkages, and analytical graphs in relation to Case: **Operation RedSand: Inter-State Hawala & Angadia Syndicate (FIR 409/2026)** (Ref: e155d848-3bf8-4ca0-9728-bbaa55437ab9) were generated, ingested, and maintained in the ordinary course of official investigation.

3. Operational Integrity & Zero Tampering: Throughout the relevant operating period, the computer system, local storage appliances, and cryptographic hashing modules operated properly. No software malfunctions, unauthorized modifications, or hardware tampering occurred that could impair the accuracy, integrity, or authenticity of the digital evidence.

4. Cryptographic Hash Validation: All digital evidence files uploaded to this case were fingerprinted at the point of ingestion using cryptographic **SHA-256 algorithms** in compliance with Section 63(4)(c) BSA 2023. The calculated digests are permanently recorded in the immutable audit registry.

5. Statutory Legal Boundary: This certificate is issued to substantiate the source, chain of custody, and cryptographic integrity of the produced electronic evidence. Evidentiary admissibility and weight of the electronic record remain subject to determination by the Hon'ble Court.

Certified Input Evidence Files & Cryptographic Digest Inventory:

Item	File Name	Type	Size	SHA-256 Cryptographic Hash (Chain of Custody)	Status
